

## **Linden Care Expands National Coverage with Acquisition of Quick Care**

*\* Leading West Coast, Pain-Focused Specialty Pharmacy*

*\* Rohit Sheta, Founder and CEO, becomes Senior Vice President West Coast*

New York, NY – June 23, 2014 – Linden Care (“Company”), a leading pain-focused specialty pharmacy, and a portfolio company of BelHealth Investment Fund (“BelHealth”), has completed its acquisition of Quick Care Pharmacy (“Quick Care”), and added Rohit Sheta, Founder and President of Quick Care, to the Linden Care management team. Quick Care, based in California, expands Linden Care’s national presence to the West Coast and deepens the company’s relationships with pain pharmaceutical manufacturers by providing access to the \$2 billion pain market in California, a “brick and mortar” state.

Marc Wiener, CEO of Linden Care, stated “Quick Care is the perfect addition to Linden Care because it expands our geographic coverage and allows us to better service our patients and pain pharma customers. Additionally, we are thrilled to have Rohit join the team and lead our West Coast sales effort in what continues to be a fast growing and highly underserved pain management market. Our partnership with BelHealth has been terrific and we look forward to continuing our collaboration and expanding our already leading national platform.”

Rohit Sheta stated, “I am excited to join Linden Care’s management team and believe that together we are uniquely positioned as a national solution to service the chronic pain industry. Quick Care has experienced rapid growth since its inception and will benefit greatly from the additional management, infrastructure and experience of both Linden Care and BelHealth.”

Harold S. Blue, BelHealth Managing Partner, said “With combined revenues of \$250 million, physical locations on both coasts, and a national sales team, Linden Care is well positioned to maintain its position as a leading pain-focused specialty pharmacy with best in class compliance practices. Additionally, we are very excited about the synergies of the acquisition and opportunities in the chronic pain industry.”
