

Linden Care Announces Key Additions to Management Team

Hires Scott D. Kantor as Chief Financial Officer (“CFO”) and Arthur L. Kersey as Vice President Compliance

Syosset, NY – March 18, 2014 – Linden Care LLC (“Linden Care” or the “Company”), a leading provider of specialty pharmacy services to the pain management industry, today announced the addition of Scott D. Kantor as CFO and Arthur L. Kersey as Vice President Compliance. Messrs. Kantor and Kersey bring a wealth of expertise to their respective positions and further solidify a deeply experienced management team.

Mr. Kantor has 30 years of experience in progressive financial and accounting roles, with 11 years as a CFO. Previously, he served as Senior Vice President and CFO of Advanced Health Media (“Advanced Health”), a global provider of technology and services designed to enable compliant interactions between pharmaceutical companies and health care professionals. While at Advanced Health, Mr. Kantor was responsible for the company’s finance and accounting, information technology, business analytics, legal and contracting and facilities. Mr. Kantor will provide leadership and discipline to Linden Care’s finance and accounting operations amidst the Company’s accelerating growth.

Mr. Kersey, a New York state attorney, has spent his entire 30 year career with the Drug Enforcement Agency (“DEA”). He was most recently Associate Special Agent in Charge, New York Division of the DEA. In this position, Mr. Kersey reported directly to the Special Agent in Charge of New York and helped oversee 1,000 employees and seven subordinate offices throughout the state. Prior thereto, Mr. Kersey was Senior Inspector, DEA Headquarters, Office of Inspections. He was charged with supervising a team of financial auditors and inspectors conducting internal reviews and audits of all DEA programs and offices worldwide. Mr. Kersey also spent several years abroad working in DEA international offices in Denmark and France. Mr. Kersey’s immense experience with the DEA will prove invaluable as Linden Care continues to build upon the Company’s already best-in-class compliance programs.

Marc Wiener, CEO of Linden Care said, “I am excited by the management team we have assembled and Scott and Art add to the overall depth of our organization. Linden Care continues to achieve rapid growth and bringing Scott and Art on board ensures we will maintain robust financial and compliance practices amidst our growth. We have assembled a strong Executive Team and Board of Directors and I look forward to leveraging their substantial experience and working with them closely as we build upon our strong national presence, expand our compliance programs and truly become the ‘national center of excellence’ to address the obvious need in the pain management marketplace.”

Inder Tallur, Managing Director of BelHealth said, “Adding Scott and Art to the team provide Linden Care with the financial and compliance expertise needed to support the Company’s continued growth. We are pleased about the team we have put together and look forward to continuing to build a national platform in the underserved pain management space. Additionally, we remain focused on our best-in-class compliance practices and believe Linden Care is uniquely positioned to become the national leader in pain control.”
