

BelHealth Press Release

Joseph P. Wynne joins BelHealth Investment Partners

New York – April 18th, 2012 – BelHealth Investment Partners, LLC (“BelHealth”) today announced that Joseph P. Wynne, CPA, has joined the firm as its Chief Financial and Administrative Officer.

Mr. Wynne is an experienced financial executive with more than 15 years as the Chief Financial Officer in private equity and private equity backed small-cap companies. For 10+ years he served as Partner, Chief Financial Officer and Registered Financial Principal of Commonwealth Associates, LP, a private equity merchant bank, and ComVest Group, a \$35 million venture fund. In addition, he was Chief Financial Officer of Groundlink Holdings, LLC and SCPW Acquisition, Inc., two private equity backed portfolio companies. Mr. Wynne has also been an entrepreneur and has served on the Board of a number of public and private companies.

Harold S. Blue, BelHealth’s Managing Partner, said, “Joe fills a critical role for BelHealth as our CFO and brings deep experience in managing the financial and administrative aspects of a healthcare private equity fund like ours. Inder Tallur, BelHealth’s Managing Director, and I have known Joe since 1995; we were partners with him at another private equity fund for 5 years, and we are thrilled to have him as part of the BelHealth team.”

“Healthcare is a growth sector with tremendous investment potential. I am excited not only to be reunited with Harold and Inder but to be joining a team with such a strong operating and investing track record in healthcare. I am looking forward to contributing to BelHealth’s success,” said Mr. Wynne.

About BelHealth Investment Partners

BelHealth Investment Partners is a private equity buyout firm focused exclusively on the small-cap healthcare industry. BelHealth acquires majority positions in healthcare companies that the BelHealth Team believes are undervalued or undermanaged and would benefit from the vast entrepreneurial and operating experience that BelHealth can deliver. Applying an active, hands-on approach to governance, BelHealth utilizes its experience to drive revenue and profit growth and achieve superior returns for its investors.
